COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

In a January 2, 2008 communication to the Examiner, applicant noted that the Notice of Allowability cover page states the allowed claims are 1, 2, 4-23, and 25-27. However, pages 3 and 4 go on to note that claims 28, 29, and 30-36 are allowable. In a January 3, 2006 communication, the examiner indicated that as long as the Index of Claims recognized the correct claims, 28, 29, and 30-36 should appear in the issued patent. The index of claims does note and renumber claims 1, 2, 4-23, 25-27, together with claims 28, 29, and 30-36.
